FINANCIAL POLICY

Since we participate in many different insurance plans and every policy is different, it is your responsibility to get referrals, know your visit limit and dollar amount limit. We will assist you in verifying your benefits, but it is your responsibility for your co-pays, co-insurance, deductibles or any procedures not covered by your insurance.

I hereby authorize and guarantee payment for all services rendered.

Although fees for services are due and payment expected at the time services are rendered, if I have been granted a grace period for payment of fees, I acknowledge that payment is due and expected at the time the billing statement is received.

In the event that my account becomes delinquent for more than 30 days, I also agree to pay a finance charge of 1.5% per month on any balance due, as well as all reasonable collection costs, court costs, attorney fees and interest fees accrued with the collection of this account.
